**New & Rebuilt Analog, Magnum or U01-U19 controls  
are no Longer Available**

*Replaced by Opus Retrofit Kits*

**We have simplified the process of replacing legacy controls in NABCO products.**

If you have a customer in need of either an Analog, a Magnum or a U19 or earlier control, we can supply you with a retrofit kit for that application.

Simply choose the appropriate Opus retrofit kit from the table on the next page.

If you are unsure of what model of NABCO product you have, refer to our PRODUCTS page on our web site here:
