

# Upgrade Your Door System

Improve Safety & Efficiency

## Upgrade Features and Benefits

- Upgrade your old system to increase performance and decrease liability
- Minimize your service calls significantly while maximizing pedestrian safety
- Self-monitoring sensors and/or control will meet new ANSI A156.10 standard revisions
- New equipment will be covered under a one-year warranty eliminating frustration and lowering cost

# Upgrade Program

Upgrade your automatic door system and realize the benefits of your investment immediately, including complying with the new ANSI A156.10 standard which now requires sensor monitoring. By implementing NABCO's upgrade program, you will reduce your overall liability, lower service costs and extend the life of your equipment. Now is the time to act!

## Upgrade Program Offerings - Sliding | Swing | Folding Doors

Whatever your upgrade need, NABCO has you covered with three upgrade levels ranging from sensors only, to a complete system overhaul. Talk to your knowledgeable NABCO representative to see which program best fits your needs.

	Silver	Gold	Platinum
	Sensor Upgrade*	Control & Sensor Upgrade*	Complete System Upgrade*
	<ul style="list-style-type: none"> <li>Improved safety</li> <li>Complies with NEW ANSI standards</li> </ul>	<ul style="list-style-type: none"> <li>Closed-loop safety</li> <li>Complies with NEW ANSI standards</li> </ul>	<ul style="list-style-type: none"> <li>Top-of-the-line door system</li> <li>Complies with NEW ANSI standards</li> </ul>
<b>SLIDING DOOR</b>	<ul style="list-style-type: none"> <li>Acusensor M - activation &amp; safety sensor</li> </ul>	<ul style="list-style-type: none"> <li>Acusensor M - activation &amp; safety sensor</li> <li>Opus Control</li> </ul>	<ul style="list-style-type: none"> <li>Acusensor M - activation &amp; safety sensor</li> <li>DS150 Motor gearbox</li> <li>U30E Control</li> </ul>
<b>SWING DOOR OPERATOR</b>	<ul style="list-style-type: none"> <li>Door mounted safety sensor</li> <li>Header mounted safety sensor</li> </ul>	<ul style="list-style-type: none"> <li>(2) Door mounted safety sensors</li> <li>Opus Control</li> </ul>	<ul style="list-style-type: none"> <li>(2) Door mounted safety sensors</li> <li>Header mounted safety sensor</li> <li>Activation sensor</li> <li>Opus Control</li> </ul>
<b>FOLDING DOOR</b>	<ul style="list-style-type: none"> <li>Header mounted safety sensor</li> </ul>	<ul style="list-style-type: none"> <li>Header mounted safety sensor</li> <li>Opus Control</li> </ul>	<ul style="list-style-type: none"> <li>Header mounted safety sensor</li> <li>Activation sensor</li> <li>Opus Control</li> </ul>

All packages include self-monitoring sensors

\*Other compatible systems are available. Photos are typical of components but subject to change.

**Acusensor M - activation & safety sensor**

**Opus Control**

**Door mounted safety sensor**

**DS150 + U30E**

**Header mounted safety sensor**

**Activation sensor**

**NABCO Service**  
 Along with the NABCO factory branches, NABCO has the largest independently owned network of automatic door distributors in North America. Their friendly, qualified installers and technicians always strive to exceed your expectations from install to after-sales service. NABCO's factory branches and independent distributors provide AAADM-certified technicians to ensure your doors meet all ANSI A156.10/A156.19 standards.
