

ICU/CCU Doors

High Quality Doors for all of your Healthcare needs

- Tested to over one-million use cycles for proven reliability
- Designed for easy operation in the hospital environment
- Highest quality ICU/CCU doors available on the market

ICU/CCU Doors GT2000 System | Doors for all of your healthcare needs

NABCO's manual ICU doors are ideally suited for intensive care and cardiac-care units where large access areas are required for the trouble-free transport of beds gurneys and other medical equipment and airborne germs must be kept from spreading to other areas.
